Event Waiver and Acknowledgement of Risk

_____

I, _____, want to take part in the event named above on _____ (the **"Event"**), run by _____ (the **"Organizer"**).

1. I understand the risks

1.1 The Event can involve physical effort, travel, equipment and other people, and so carries a risk of injury, illness, and loss of or damage to property, even when everyone is careful. In some cases the injury can be serious.

1.2 I am choosing to take part. I am in good enough health and fit enough to do so, and I have not been told by a doctor not to take part.

1.3 I will tell the Organizer before the Event if my health changes in a way that could affect my safety or anyone else's.

2. I will follow the rules

2.1 I will follow the safety rules and instructions that the Organizer and its staff give, and use any protective equipment I am asked to use. I will not take part if I am affected by alcohol or drugs.

2.2 The Organizer may refuse me entry to, or ask me to leave, the Event if I do not follow the rules or if my behavior is a danger to others, and I will not be entitled to a refund.

3. What I accept

3.1 I accept the risks that are a normal and expected part of the Event. I agree that I will not bring a claim against the Organizer, its staff or volunteers for injury or loss that results from those risks.

3.2 This does not apply to anything caused by the Organizer's own negligence or deliberate wrongdoing, and it does not limit any right that the law does not allow me to give up. Nothing here removes the Organizer's duty to run the Event with reasonable care.

4. Equipment, property and safety

4.1 I will use any equipment provided by the Organizer only as it was meant to be used and following the instructions, and I will check my own equipment is in good condition before I use it. I will tell the Organizer at once if I find something that is damaged or unsafe.

4.2 I am responsible for my own belongings. The Organizer is not responsible for loss of or damage to them, except where it was caused by the Organizer's negligence. I will pay for damage that I cause to the Organizer's equipment or the venue by misuse.

5. Medical help and insurance

5.1 I understand that first aid or medical help at the Event may be limited. I am responsible for having whatever medical or accident insurance I need, and for my own travel to and from the Event.

5.2 I will take any medication I need with me and will tell a member of staff where it is. If I have a condition that could affect others, such as a severe allergy, I will tell the Organizer before the Event.

6. Changes to the Event

6.1 The Organizer may change, postpone or cancel the Event because of weather, safety or other reasons outside its control. If it cancels, it will tell me promptly, and any refund will be as described when I registered.

7. Governing law

7.1 This document, and any dispute arising out of it, is governed by the laws of the State of _____, without regard to its rules about conflicts of laws.

☐ I have read this waiver and I understand it. I know that I am giving up some legal rights by signing it.
