8. How we make a decision

8.1 We consider every application against the same written criteria: that income is at least _____ of the monthly rent, a satisfactory rental history, and a satisfactory credit and background check. We apply them equally to every applicant and do not discriminate because of race, color, religion, sex, familial status, disability, national origin or any other characteristic that the law protects.

8.2 We will tell you our decision in writing within _____ days of receiving a complete application. If we decide not to rent to you because of information in a credit or background report, we will tell you which agency provided it and how to get a free copy and dispute anything that is wrong.

8.3 Providing this information does not create a lease. A lease begins only when both the landlord and the tenant have signed one.

9. Checks and what I confirm

9.1 ☐ I agree that the landlord may check what I have written, including with my employer, my references and my current and past landlords, and may run a credit and background check, for which I will receive a separate notice and a copy if the law requires

9.2 ☐ What I have written is true and complete. I understand that a false statement may be a reason to refuse this application or to end a lease

9.3 Submitting this application does not promise that I will be offered the property. An application fee, if any, is _____, and the landlord will tell me what it covers and whether it is refundable.
